Dr. Shamshad Akhtar
*Under-Secretary-General of the
United Nations and Executive Secretary of ESCAP*

- 13 **Editor's Note**

- 14 **Maps of Thailand**

- 16 **Key Performance Indicators**

- 20 **Thailand's SDG Index Performance**

- 22 **PART 1**
An Introduction to Sustainable Development

- 44 **PART 2**
Issues and Information

- 46 **THE THAI ENVIRONMENT**

- 48 *Climate Change*
54 *Energy*
62 *Soil*
66 *Water*
70 *Forests*
76 *Oceans and Seas*
82 *Biodiversity*
86 *Urbanization*
90 *Pollution and Waste*

A NOTE ON SOURCES

The sources for the statistics and information in this book range from international organizations such as the World Bank to Thai government ministries. The editorial team attempted to identify the most reliable source and check against other sources whenever necessary. In many cases, the source is cited. But to cite the source of every statistic within the text would encumber the prose and make for very dry reading.

96	THE THAI ECONOMY	260	<i>Organic Revolution</i>
98	<i>Poverty</i>	268	<i>Integrated Farming/New Theory</i>
